Join the webinar on Thursday March 22nd, 7am GMT

The Friends of Fossil Fuel Subsidy Reform (FFFsR, the “Friends”), the Finnish Ministry of Foreign Affairs, the New Zealand Ministry of Foreign Affairs and Trade and the Global Subsidies Initiative (GSI) of the International Institute for Sustainable Development (IISD) are pleased to invite you to the first webinar of the FFFsR Network series on “Self- and Peer Reviews of Fossil Fuel Subsidies”

Voluntary peer reviews of FFS are a first step in the G20 and APEC commitments to phase out FFS. Self- and peer reviews of FFSs are a tool for increasing transparency and accountability for the policies that potentially act against sustainable development. 12 countries around the world have completed or committed to such reviews under the G20 or the APEC processes. This webinar will explain how peer reviews work, what are the advantages, and will share experiences of countries that went through the process.
